OFFICE OF THE SUPERINTENDENT,
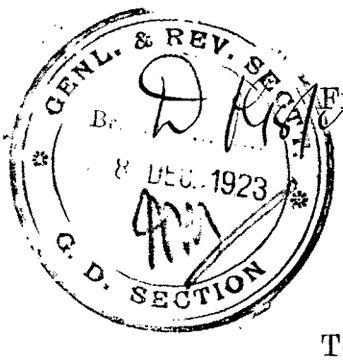
MYSORE GOVERNMENT STATIONERY,

Dated Bangalore, 18th December 1923.



From

B. Puttaiya, Esq., B. A.,
~~Superintendent, Government Stationery, Bangalore.~~

Dis 2-23

SUPERINTENDENT, GOVERNMENT STATIONERY, BANGALORE.

D 33

To

K. Matthan, Esq., B. A.,
Chief Secretary to Government of Mysore,
Bangalore.

SIR, I have the honor to state that in connection with the distress prevailing in certain parts of the districts, I have been receiving immediate and telegraphic requisitions for the supply of an extraordinarily large number of copies of Land Improvement Forms and Registers and Public Works Bills and other forms. I have already submitted in my letter No. 935 dated the 17th instant a copy of letter No. P.W. 786/ C & S 5856 dated 11th instant received from the Chief Engineer for Irrigation and reported the action taken by me in regard to the supply of Stationery articles to the Public Works Department. A copy of D.O.No. 201 dated the 13th instant relating to the supply of Forms received from the Secretary, P.W.D (Irrigation) is also enclosed for favour of perusal.

2 As regards the Revenue Forms the Revenue Commissioner wrote to me as follows on 26th November 1923:-

"As the matter is emergent, I shall be thankful if you can kindly get the work done even on holidays and make the supply within three or four days.'

Again he wrote officially on the same day letter No. 147/23-24, copy of which is enclosed, requesting to print copies ten times the number of the usual indent.

4 The Deputy Commissioner, Tumkur, requested the supply of the following forms in his D.O.No.916 dated 25th November 1923:-

No.1	Application Forms	5,000
No.6	Inspection Forms	5,000
No.8	Loan Order Forms	5,000
No.9A	Security Forms	5,000
No.9B	Do.	5,000
	Loan Cheque Books	50

He also sent a telegram on the 13th instant asking for the supply of a larger number of the above forms as follows:-

" Please supply immediately loan application forms 20,000, Security forms 20,000, loan order forms 40,000, Inspection forms 20,000 Cheque books 250, Loan registers 50, Repayment registers 200 their want retarding progress."

As soon as I received the above requisitions, I made arrangement for the printing of the forms and immediately supplied from the existing stock the following forms:-

	Inspection Forms No.6	10,000
	Security Forms No.9A	5,000
No.1	Loan Application forms	4,000
	Security Forms No.9B	5,000
	Loan Cheque Books	70
	Repayment Registers	40

A requisition for the above forms has come to-day from the Deputy Commissioner, Bangalore also and I am sending him the copies wanted by him. It looks as though I shall be getting similar requisitions from the other districts also.

At this rate, I find that large stocks of paper will be consumed sooner than was expected and that the Press will have to work overtime to print the unusually large number of forms wanted emergently by the Deputy Commissioners. The composing, Printing, overtime and other charges together with the cost of the large quantities of paper consumed will be a heavy drain on the Press and Stationery budgets. In addition to this, I am given to understand that some more new forms will be introduced at a meeting to be held on the 21st instant for the requirements of the ~~Finance~~ Famine Relief Operations and that a very large number of these forms are required to be printed off without delay.

There is further the printing of the supplementary lists of the Electoral Rolls of the New Legislative Council and the Representative Assembly and the printing of over 1,00,000 copies of voting papers to be got through in the prescribed time.

I beg to submit that all this extraordinary and unforeseen run on

Copy of letter No.C147/23-24, dated 26th ultimo, from the Revenue Commissioner in Mysore, Bangalore, to the Superintendent, Government Printing, Bangalore.

----- O------

I have the honor to state that much delay is caused in issuing cheques in distressed areas as cheque books and loan forms are not available. I request that quantities of these may be got printed and kept ready, about ten times the number of the usual indent may do for the present. The - Amildars in Kolar, Bangalore, Tumkur District may at the same time be asked to indent direct for the forms and books as they are required. If Government Orders are required re: this matter, I request you will kindly obtain the same immediately.

" C O P Y "

Superintendent.
